Health and Safety Policy Statement

England Darts Organisation believes that people are its most valuable resource and their health, safety and welfare is of paramount importance.

England Darts Organisation recognises its legal duty for providing a safe and healthy environment for its staff, member counties, volunteers, and others (contractors, visitors and the public) that could be affected by its work or undertakings.

England Darts Organisation is committed to: -

- Compliance with all applicable legislative and regulatory requirements.
- The provision and maintenance of equipment and safe systems of work.
- The safety and absence of risk to health in connection with the use, handling, storage and transport of articles and substances.
- The provision of suitable information, instruction, training and supervision.
- A safe place with a suitable means of access and exit.
- Continual improvement in all areas of health and safety management.

All member counties are required to take reasonable care for their own health and safety and of others who may be affected by their actions or omissions and co-operate with England Darts Organisation to ensure compliance with all legislative requirements and standards.

The England Darts Organisation is committed to developing a culture that supports the management of health and safety at all levels and shall ensure the necessary financial and physical resources, the competency of its people and the provision of any necessary expert advice in order to support the health and safety policy.

England Darts Organisation health and safety performance objectives will be monitored continuously and will be subject to annual audits.
